

MISSION STATEMENT MOTOR CITY MODEL BOAT CLUB

A shared and recognized spirit of proper sportsmanship shall be followed: With a primary focus on respect towards fellow club members, members of the local community, the current land and property owners and their requirements.

The primary purpose and goal of this club shall be directed towards offering a friendly and controlled environment for a group of people with a common interest. Specifically, a group of people who enjoy the hobbyist aspect of building owning and operating radio controlled model boats and watercraft to include; watercraft of various types, sizes, power sources, purpose and intent.

As the racing of these boats is a common and integral part of the hobby, it shall receive appropriate attention. The hosting of a sanctioned IMPBA club race shall be a key item on the club agenda. Member involvement as a team will be essential and required.

As club members an awareness that we are guests, whose club is functioning in a public place, on private land, must be given priority consideration. We share this environment with the local community, and they need to be given the dignity and respect they are entitled to.

As fellow members of our own community, the elements of diversity, dignity, and respect for fellow members will be expected.
